Re Bureau Airtel, 4/22/69, captioned as above to BA,
CV, NY, PH and WFO.

Enclosed for each office listed below are the designated
numbers of sets of photographs which contain 16 photographs per set.

For the information of the offices not receiving
referenced mail, the Bureau instructed that WFO as office of
origin open separate 176 files on the first 24 individuals that are
listed below under the WFO copy count. These cases were opened

to determine if the subjects violated ARL during the Presidential Inauguration during January, 1969. Buairtel, 5/27/69, captioned "LINDA EVANS" instructed a 176 case be opened on EVANS and handled in accordance with instructions in reairtel since it appears to be directly related to the other 15 cases.

Referenced airtel stated that all information concerning subjects' travel to Washington, D. C., for the inauguration should be reported, as well as information concerning their reasons for going to Washington, D. C. Details of meetings attended by subjects wherein plans were discussed concerning their travel to Washington, D. C. and activities while there, should be reported, along with the activities of all other persons attending such meetings, inasmuch as the sum total of such information may indicate the existence of a conspiracy. The Justice Department believes that prosecutable violations have occurred but prosecution will be possible only if the investigation is successful in locating witnesses available to testify who can establish the elements of the offense involved. Exact text of pertinent statements made by subjects should be obtained; verbatim transcripts are highly desirable if available. Referenced airtel also instructed that these cases should be assigned to agents with successful criminal experience. They should be accompanied on pertinent interviews by Agents familiar with related security matters. Use criminal rules of reporting and include that information directly aimed at establishing the criminal violation. Submit informant information by LHM suitable for dissemination. General intelligence information should be submitted under separate suitable caption. Copies of reports and LHMs should be furnished to WFO, including copy of each to the USA, WDC.

The Bureau airtel also pointed out that logical interviews are to be conducted whether or not persons to be interviewed are on the Security and/or Agitator Index or whether the individuals can be expected to be cooperative. If a subject declines interview, this fact should be reported. These cases are to be afforded close supervision and intelligent, aggressive investigative attention. Reports are to be submitted every 15 days until all logical investigation is completed.

Bureau airtel, dated 5/15/69, to NY and WFO captioned "MARK WILLIAM RUDD" stated that informants must be recontacted to insure that all pertinent information has been obtained from them and also to obtain the identities of witnesses who are capable of and available to testify to pertinent activities and statements

be specifically so instructed. This Bureau airtel related that an article appeared in the New York Times stating that RUDD attended an SDS meeting at Ann Arbor, Michigan, during December, 1968, and gave a speech advocating direct confrontation with police at the inauguration. Bureau instructed that New York identify and interview the writer of this article. The Bureau pointed out that remarks made at Ann Arbor, during the SDS meeting in December, 1968, may be of particular significance, therefore every effort must be made to thoroughly explore that aspect of the investigation. This Bureau airtel also instructed New York to bear in mind that subjects' mere attendance at gatherings where plans for inaugural activities were discussed may be pertinent in view of the possible development of a conspiracy.

Bureau airtel dated 5/26/69, to Baltimore and WFO under the double caption "ROBERT BRUCE LA MAR and GREGORY MARTIN DUNKEL," pointed out that DUNKEL attended SDS meetings at the University of Maryland during 1968. DUNKEL led much of the discussions and proposed counter-inaugural activities were discussed. Bureau airtel stated that information concerning these meetings should be reported, including full information regarding inaugural plans and subjects' participation in that regard. Informants should be recontacted regarding the above meetings for possible additional information and for the identification of witnesses present. Witnesses capable of testifying to pertinent statements and activities should be located and interviewed. The Bureau instructed Baltimore to continue efforts to interview witnesses in their division who have been identified as having been present at pertinent meetings and during pertinent activities attended by the subjects. If they decline to testify, that fact should be reported. This is a necessary preliminary step regarding recalcitrant witnesses whom the Department may decide to subpoena for Grand Jury proceedings.

I. BACKGROUND

A. Personal

SHARON LOUISE A. KREBS, born SHARON LOUISE ADELSTEIN, also known as Mrs. Allen Martin Krebs, was born on October 13, 1937, at Chicago, Illinois. She attended Northwestern University from 1954 to 1956, University of North Carolina 1956-57 and the University of Michigan from 1957 to 1961, receiving a Bachelor of Arts degree in 1959. From 1959 to 1961, she took graduate studies at the University of Michigan and was a graduate student at Columbia University in 1965 and 1966. In 1967, subject was a teacher at the Free School of New York.

Subject married ALLEN MARTIN KREBS on July 22, 1956, at Chesterfield, North Carolina, and they have one son THORSTEN LOUIS KREBS, born [REDACTED] at Ann Arbor, Michigan. ALLEN MARTIN KREBS claims he was fired from his job at Adelphi University as a professor for his avowed Marxist views. In August, 1967, subject reportedly was going to Mexico to obtain a divorce.

Subject currently resides in Apartment 1D, 90 Bedford Street, New York City, and is unemployed.

B. Subversive Affiliation

In June, 1964, subject traveled to Cuba with a group of American students under the sponsorship of the Student Committee For Travel to Cuba. She was a member of the Progressive Labor Party Club at Columbia University in 1965 and attended a meeting of the Students for a Democratic Society (SDS) in April, 1967.

In 1967, subject reportedly was a member of the Revolutionary Contingent (RC) described as a coalition of radical groups in New York City. At an RC retreat held in New York City in September, 1967, subject made a proposal that the RC should make an effort to raise money to buy guns and at a later RC meeting subject suggested that the RC destroy the military recruiting center in Times Square, New York City.
